Crema pentru maini cu lapte de capra 80 ml ZIAJA

Furnizeaza hidratare intensa. Revitalizeaza epiderma si ofera suplete pielii. Intareste unghiile si previne ruperea si exfolierea acestora.

- recomandata pentru tenul uscat si ridat
- unisex, 25 ani +
- bogat, cu consistenta de crema
- regenerativ si cu proprietati protectoare

Ingredientul principal: proteine din lapte de capra – un set indispensabil de macro componente cu efecte nutritive.
Contine proteine din lapte, lipide vegetale, carbohidrati, calciu, vitaminele A si D.
- Stimuleaza sinteza elementelor structurale, imbunatateste structura pielii si netezeste ridurile.
- Creste elasticitatea pielii, protejeaza pielea impotriva efectelor daunatoare ale radicalilor liberi si intarzie imbatranirea.
- Hraneste si hidrateaza perfect.
