

Thyroid support 30 cps ADAMS SUPPLEMENTS

Hipotiroidismul apare cand glanda tiroida nu produce suficienti hormoni, astfel este afectat felul in care organismul consuma energia.

Iodul contribuie la productia normala de hormoni tiroidieni si la functionarea normala a glandei tiroide. A nu se folosi concomitent cu alte produse avand continut ridicat de iod.

Ingrediente:

4 mg Zinc (oxid de zinc), 1 mg Magneziu (chelate de aminoacizi), 100 µ Seleniu (chelate de aminoacizi), 100 µ Cupru (oxid de cupru), 75 µ Iod (chelate de aminoacizi), 5 µ Vitamina B12 (cianocobalamina), 25 µ Molibden (chelate de aminoacizi), 240 mg Schizandra (parti aeriene - Schizandra chinensis), 150 mg L-Tirozina, 100 mg Ashwaghandha/Ginseng indian (Withania somnifera - radacini), 50 mg Alga marina bruna, 25 mg Alga (Fucus vesiculosus), 15 mg Cayenne (Capsicum annuum - fructe).

Mod de administrare:

Ca supliment alimentar, luati zilnic 1-2 capsule cu suficienta apa.
