Sapun moale natural de potasiu, realizat prin saponificarea unui amestec complex de uleiuri fine de cocos, masline si ricin. Extractul de Sapunarita iti aduce bucuria unei spalari delicate cu o spuma abundenta iar extractul de Nalba mare impreuna cu cele 25% ingrediente hidratante vor oferi o ingrijire catifelata pielii tale. Imbogatit cu ulei de avocado si ulei de Argan pentru a oferi un efect emolient intens. Pantenolul (provitamina B5) si mierea de albine redau pielii tale un aspect fin si delicat. Produs testat dermatologic.
